The specifications

The Cubola is known for its enormous diversity. As such, you can enjoy the Cubola either in the garden or wall-mounted on your terrace. Thanks to the variable angle adjustment, the Cubola can be opened in either a sloping or flat position, and everything in between. Especially when the sun is low, it can be very pleasant to lower the fabric. Optionally, the Cubola can be extended with screens, giving you full control over light and wind protection.

Popular colours

-  Pure white (RAL 9010)
